## Mind Body Spirit | ADVENTURE WEEK

### ACCOMMODATIONS FOR THREE NIGHTS

Maya Tulum is a small and private beachfront resort with 45 cabañas that are designed for your comfort and convenience with beautiful views of the sea and the jungle. We offer two different views (ocean view and beachfront), all are designed to reflect the traditional Mayan style. Most cabañas are built with thatched roofs, stone or tile floors.

### THREE HEALTHY MEALS EACH DAY

The restaurant is an exquisite huge cabana built on two levels with marble floors and white limestone walls. Through its windows you have a fantastic view of the coastline with the turquoise Caribbean Sea embracing the white sand. The restaurant is basically vegetarian and also serves fresh seafood.

GRATUITIES, BAR DRINKS, SMOOTHIES, AND SPECIALTY DRINKS ARE NOT INCLUDED. DRINKS INCLUDED ARE: COFFEE, JUICE, MILK, AND TEA.

*We suggest tips of \$10 per day per person. Additional tips are welcome. If you would like to leave a tip for a specific staff member, please make sure to include their name on the tipping envelope.*
